

CITATION REPORT

List of articles citing

Microbial transmission in an outpatient clinic and impact of an intervention with an ethanol-based disinfectant

DOI: 10.1016/j.ajic.2018.06.017

American Journal of Infection Control, 2019, 47, 128-132.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
