

# CITATION REPORT

List of articles citing

A novel experimental approach for liver analysis in rats exposed to Bisphenol A by means of LC-mass spectrometry and infrared spectroscopy

DOI: 10.1016/j.jpba.2018.12.011

Journal of Pharmaceutical and Biomedical Analysis, 2019, 165, 207-212.

**Version:** 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
