

CITATION REPORT

List of articles citing

Suture Button Versus Syndesmotic Screw for Syndesmosis Injuries: A Meta-analysis of Randomized Controlled Trials

DOI: 10.1177/0363546518804804

American Journal of Sports Medicine, 2019, 47, 2764-2771.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
