

CITATION REPORT

List of articles citing

Excess annual economic burdens from nosocomial infections caused by multi-drug resistant bacteria in Thailand

DOI: 10.1080/14737167.2019.1537123

Expert Review of Pharmacoeconomics and Outcomes Research, 2019, 19, 305-312.

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
