

# CITATION REPORT

List of articles citing

Electricity consumption patterns within cities:  
application of a data-driven settlement  
characterization method

DOI: 10.1080/17538947.2018.1556355

International Journal of Digital Earth, 2020, 13, 119-135.

**Source:** <https://exaly.com/paper-pdf/74933930/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
