## CITATION REPORT List of articles citing

Genetics of suicide attempts in individuals with and without mental disorders: a population-based genome-wide association study

DOI: 10.1038/s41380-018-0218-y Molecular Psychiatry, 2020, 25, 2410-2421.

Source: https://exaly.com/paper-pdf/74975017/citation-report.pdf

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
