

# CITATION REPORT

List of articles citing

Economic and environmental impact assessments of a stand-alone napier grass-fired combined heat and power generation system in the southeastern US

DOI: 10.1007/s11367-019-01667-x

International Journal of Life Cycle Assessment, 2020, 25, 89-104.

**Source:** <https://exaly.com/paper-pdf/75086182/citation-report.pdf>

**Version:** 2024-04-11

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
