## CITATION REPORT List of articles citing

Regional spreading of symptoms at diagnosis as a prognostic marker in amyotrophic lateral sclerosis: a population-based study

DOI: 10.1136/jnnp-2019-321153 Journal of Neurology, Neurosurgery and Psychiatry, 2020, 91, 291-297.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
