

A novel image feature descriptor for SLM spattering pattern recognition using a disposable consumable camera

International Journal of Advanced Manufacturing Technology
110, 2955-2976

DOI: [10.1007/s00170-020-05995-3](https://doi.org/10.1007/s00170-020-05995-3)
