List of articles citing

Lockdown measures in response to COVID-19 in nine sub-Saharan African countries

DOI: 10.1136/bmjgh-2020-003319
BMJ Global Health, 2020, 5, .

Source: <https://exaly.com/paper-pdf/75497111/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
