

CITATION REPORT

List of articles citing

Longitudinal determination of resilience in humans to identify mechanisms of resilience to modern-life stressors: the longitudinal resilience assessment (LORA) study

DOI: 10.1007/s00406-020-01159-2

European Archives of Psychiatry and Clinical Neuroscience, 2021, 271, 1035-1051.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
