

CITATION REPORT

List of articles citing

Central retinal vein occlusion in a young healthy COVID-19 patient: A case report

DOI: 10.1016/j.ajoc.2020.100992

American Journal of Ophthalmology Case Reports,
2020, 20, 100992.

Source: <https://exaly.com/paper-pdf/75735593/citation-report.pdf>

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
