

CITATION REPORT

List of articles citing

Adaptive trial designs for spinal cord injury clinical trials directed to the central nervous system

DOI: 10.1038/s41393-020-00547-8
Spinal Cord, 2020, 58, 1235-1248.

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
