

CITATION REPORT

List of articles citing

Estimation of aboveground and belowground carbon stocks in urban freshwater wetlands of Sri Lanka

DOI: 10.1186/s13021-020-00152-5

Carbon Balance and Management, 2020, 15, 17.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
