List of articles citing

## Association between Exposure to Ambient Air Pollution and Age-Related Cataract: A Nationwide Population-Based Retrospective Cohort Study

DOI: 10.3390/ijerph17249231

International Journal of Environmental Research and Public Health, 2020, 17, .

**Source:** <https://exaly.com/paper-pdf/76329454/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
