

# CITATION REPORT

List of articles citing

## Comparative Life Cycle Assessment of Bioenergy Production from Different Wood Pellet Supply Chains

DOI: 10.3390/f11111127  
Forests, 2020, 11, 1127.

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
