List of articles citing

## Myasthenic crisis in COVID-19

DOI: 10.1016/j.jns.2020.116888

Journal of the Neurological Sciences, 2020, 414, 116888.

**Source:** <https://exaly.com/paper-pdf/76697716/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
