

# CITATION REPORT

List of articles citing

Reduction of secondary transmission of SARS-CoV-2 in households by face mask use, disinfection and social distancing: a cohort study in Beijing, China

DOI: 10.1136/bmjgh-2020-002794  
BMJ Global Health, 2020, 5, .

**Source:** <https://exaly.com/paper-pdf/76741485/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
