## CardioMEMS System in the Daily Management of Heart Failure: Review of Current Data and Technique of Implantation

DOI: 10.1080/17434440.2020.1779588

Expert Review of Medical Devices, 2020, 17, 637-648.

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
