

# CITATION REPORT

List of articles citing

Exploring the impact of real-life dosing conditions on intraluminal and systemic concentrations of atazanavir in parallel with gastric motility recording in healthy subjects

DOI: 10.1016/j.ejpb.2020.02.014  
European Journal of Pharmaceutics and Biopharmaceutics, 2020, 150, 66-76.

**Version:** 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
