

CITATION REPORT

List of articles citing

A review on the properties of electrospun cellulose acetate and its application in drug delivery systems: A new perspective

DOI: 10.1016/j.carres.2020.107978

Carbohydrate Research, 2020, 491, 107978.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
