

CITATION REPORT

List of articles citing

Gastrointestinal Tract Colonization Rate of Extended -Spectrum Beta-Lactamase- and Carbapenemase-Producing Enterobacteriaceae and Associated Factors Among Hospitalized Patients in Arba Minch General Hospital, Arba Minch, Ethiopia

DOI: 10.2147/idr.s239092

Infection and Drug Resistance, 2020, 13, 1517-1526.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
