

# CITATION REPORT

List of articles citing

How do electricity pricing programs impact the selection of energy efficiency measures? A case study with U.S. Medium office buildings

DOI: 10.1016/j.enbuild.2020.110267  
Energy and Buildings, 2020, 224, 110267.

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
