

CITATION REPORT

List of articles citing

Unravelling the proteomic signature of extracellular vesicles released by drug-resistant *Leishmania infantum* parasites

DOI: 10.1371/journal.pntd.0008439
PLoS Neglected Tropical Diseases, 2020, 14, e0008439.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
