

# CITATION REPORT

List of articles citing

## Rapid Prototyping of Personalized Articular Orthoses by Lamination of Composite Fibers upon 3D-Printed Molds

DOI: 10.3390/ma13040939  
Materials, 2020, 13, .

**Source:** <https://exaly.com/paper-pdf/77239536/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
