

CITATION REPORT

List of articles citing

Incubation Period and Other Epidemiological Characteristics of 2019 Novel Coronavirus Infections with Right Truncation: A Statistical Analysis of Publicly Available Case Data

DOI: 10.3390/jcm9020538
Journal of Clinical Medicine, 2020, 9, .

Source: <https://exaly.com/paper-pdf/77287675/citation-report.pdf>

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
