

# CITATION REPORT

List of articles citing

Simultaneous determination of ferulic acid, paeoniflorin, and albiflorin in rat plasma by ultra-high performance liquid chromatography with tandem mass spectrometry: Application to a pharmacokinetic study of Danggui-Shaoyao-San

DOI: 10.1002/jssc.201900846

Journal of Separation Science, 2020, 43, 2053-2060.

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
