

CITATION REPORT

List of articles citing

Chloroquine for the 2019 novel coronavirus SARS-CoV-2

DOI: 10.1016/j.ijantimicag.2020.105923
International Journal of Antimicrobial Agents, 2020,
55, 105923.

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
