

# CITATION REPORT

List of articles citing

Environmental pollutants damage airway epithelial cell cilia: Implications for the prevention of obstructive lung diseases

DOI: 10.1111/1759-7714.13323  
Thoracic Cancer, 2020, 11, 505-510.

**Source:** <https://exaly.com/paper-pdf/77396964/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
