

CITATION REPORT

List of articles citing

Oral formulation strategies to improve the bioavailability and mitigate the food effect of abiraterone acetate

DOI: 10.1016/j.ijpharm.2020.119069

International Journal of Pharmaceutics, 2020, 577, 119069.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
