

# CITATION REPORT

List of articles citing

Estimating the Unreported Number of Novel Coronavirus (2019-nCoV) Cases in China in the First Half of January 2020: A Data-Driven Modelling Analysis of the Early Outbreak

DOI: 10.3390/jcm9020388

Journal of Clinical Medicine, 2020, 9, .

**Source:** <https://exaly.com/paper-pdf/77468410/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
