

# CITATION REPORT

List of articles citing

**Classification of the cutaneous manifestations of COVID-19: a rapid prospective nationwide consensus study in Spain with 375 cases**

**DOI: 10.1111/bjd.19163**

**British Journal of Dermatology, 2020, 183, 71-77.**

**Source:** <https://exaly.com/paper-pdf/77482807/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
