

CITATION REPORT

List of articles citing

Presenting Characteristics, Comorbidities, and Outcomes Among 5700 Patients Hospitalized With COVID-19 in the New York City Area

DOI: 10.1001/jama.2020.6775

JAMA - Journal of the American Medical Association, 2020, 323, 2052-2059.

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
