

CITATION REPORT

List of articles citing

Comorbidity and its impact on 1590 patients with COVID-19 in China: a nationwide analysis

DOI: 10.1183/13993003.00547-2020
European Respiratory Journal, 2020, 55, .

Source: <https://exaly.com/paper-pdf/77656225/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
