CITATION REPORT List of articles citing

Improved asthma outcomes observed in the vicinity of coal power plant retirement, retrofit, and conversion to natural gas

DOI: 10.1038/s41560-020-0600-2 Nature Energy, 2020, 5, 398-408.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
