

CITATION REPORT

List of articles citing

Sex differences in aortic valve calcification in severe aortic valve stenosis: association between computer tomography assessed calcification and valvular calcium concentrations

DOI: 10.1093/ehjci/jeaa096

European Heart Journal Cardiovascular Imaging, 2021, 22, 581-588.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
