

CITATION REPORT

List of articles citing

Serotype distribution and antimicrobial susceptibility of *Streptococcus pneumoniae* associated with invasive pneumococcal disease among adults in Japan

DOI: 10.1016/j.ijid.2020.10.017

International Journal of Infectious Diseases, 2021, 102, 260-266

Source: <https://exaly.com/paper-pdf/77744017/citation-report.pdf>

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
