CITATION REPORT List of articles citing

FBXO11-mediated proteolysis of BAHD1 relieves PRC2-dependent transcriptional repression in erythropoiesis

DOI: 10.1182/blood.2020007809 Blood, 2021, 137, 155-167.

Source: https://exaly.com/paper-pdf/77747017/citation-report.pdf

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
