CITATION REPORT List of articles citing

Combining Wire Localization of Clipped Nodes with Sentinel Lymph Node Biopsy After Neoadjuvant Chemotherapy in Node-Positive Breast Cancer: Preliminary Results from a Prospective Study

DOI: 10.1245/s10434-020-08925-5 Annals of Surgical Oncology, 2021, 28, 958-967.

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
