

CITATION REPORT

List of articles citing

Cancer associates with risk and severe events of COVID-19: A systematic review and meta-analysis

DOI: 10.1002/ijc.33213

International Journal of Cancer, 2021, 148, 363-374.

Source: <https://exaly.com/paper-pdf/77786974/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
