

CITATION REPORT

List of articles citing

Occurrence, fate and mass loading of benzodiazepines and their transformation products in eleven wastewater treatment plants in Guangdong province, China

DOI: 10.1016/j.scitotenv.2020.142648

Science of the Total Environment, 2021, 755, 142648.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
