

CITATION REPORT

List of articles citing

Meta-analysis of 208370 East Asians identifies 113 susceptibility loci for systemic lupus erythematosus

DOI: 10.1136/annrheumdis-2020-219209
Annals of the Rheumatic Diseases, 2021, 80, 632-640.

Source: <https://exaly.com/paper-pdf/77866215/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
