

CITATION REPORT

List of articles citing

Hydroxychloroquine vs. Azithromycin for Hospitalized Patients with COVID-19 (HAHPS): Results of a Randomized, Active Comparator Trial

DOI: 10.1513/annalsats.202008-940oc
Annals of the American Thoracic Society, 2020, , .

Source: <https://exaly.com/paper-pdf/77904813/citation-report.pdf>

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
