

CITATION REPORT

List of articles citing

Synthesis of Diallyl dimethyl ammonium chloride grafted polyvinyl pyrrolidone (PVP-g-DADMAC) and its applications

DOI: 10.1016/j.mseb.2020.114750

Materials Science and Engineering B: Solid-State Materials for Advanced Technology, 2021, 263, 114750.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
