

# CITATION REPORT

List of articles citing

The nexus between alternatives assessment and green chemistry: supporting the development and adoption of safer chemicals

DOI: 10.1080/17518253.2020.1856427

Green Chemistry Letters and Reviews, 2021, 14, 23-44.

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
