

CITATION REPORT

List of articles citing

Plan to Overcome Barriers to Reverse Logistics in Construction and Demolition Waste: Survey of the Construction Industry

DOI: 10.1061/(asce)co.1943-7862.0001966

Journal of Construction Engineering and Management
- ASCE, 2021, 147, 04020172.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
