

CITATION REPORT

List of articles citing

A cross-industry collaboration to assess if acute oral toxicity (Q)SAR models are fit-for-purpose for GHS classification and labelling

DOI: 10.1016/j.yrtph.2020.104843

Regulatory Toxicology and Pharmacology, 2021, 120, 104843.

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
