List of articles citing

Impact of COVID-19 on the Cardiovascular System: A Review of Available Reports

DOI: 10.1007/s10557-020-07073-y
Cardiovascular Drugs and Therapy, 2021, 35, 411-425.

Version: 2024-04-04

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
