

# CITATION REPORT

List of articles citing

## Multi-directional local search for sustainable supply chain network design

DOI: 10.1080/00207543.2019.1696488

International Journal of Production Research, 2021, 59, 412-4

**Source:** <https://exaly.com/paper-pdf/78058402/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
