

# CITATION REPORT

List of articles citing

CA125 test result, test-to-diagnosis interval, and stage in ovarian cancer at diagnosis: a retrospective cohort study using electronic health records

DOI: 10.3399/bjgp.2020.0859

British Journal of General Practice, 2021, 71, e465-e472.

**Source:** <https://exaly.com/paper-pdf/79191073/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
